Farewell, Sabrina!

Our longtime analyst, Sabrina Beane, has officially retired after 31 years. Many of you may know her as she has supported so many of our users throughout the years. We wish her the best of luck in her next phase of life. She was an invaluable member of our team and will be deeply missed. We know that some of you contacted Sabrina directly with support calls, network certification issues and other inquires. All questions about ACEIT that would be directed to Sabrina should now be sent to our support team at ACEIT_Support@Tecolote.com. We have a great team of analysts that Sabrina helped train in place to assist you.
