ACEIT 8.0 is only weeks away!

The release of ACEIT 8.0 is just around the corner. Make sure you have an active DMS license to get access to our most innovative product to date! We will be sending out new license strings for 8.0 to those with an active DMS towards the end of June.

Making an impact worldwide!

In recent news, Australia's Future Submarine Project has selected ACEIT for its cost estimating needs. This is the largest defense project that Australia has ever seen with an estimated value of \$50 billion dollars. We are proud to be the selected cost estimating software for this project.

ACEIT 8.0 Training Now Available!

With our new software, we unveil our new training program. We have updated our 'ACEIT 101' training course with the new 8.0 content and have changed the name to 'ACEIT for Model Builders' course. This new class also includes modeling with uncertainty. Be one of the first to learn all the new features and functions that you will find in ACEIT 8.0. See more details about the class [here](#). Space is limited so [register today](#) for either the June 25th or August 13th training in Washington, DC.

Any questions about ACEIT training, call 805.964.6963 x2571 or email aceit_train@tecolote.com.
