ACEIT Service Pack Released

Just released, ACEIT service pack for version 8.0. The following improvements are included in the ACEIT service pack.

- Significant performance upgrades throughout
- Added RI$K Fan Chart
- Added Revision Log
- Conducted considerable refinement of Undo/Redo functionality
- Fixed several bugs in RI$K and Overrides
- Made numerous refinements to Model Structure
- Fixed bugs in Excel-to-Ace and Ace-to-Ace Plugins
- Revised RI$K group seed editing

To download the latest service pack, you will need to login to the ACEIT website and visit the download>production software section.

Update Army CESs now available

A new download is available for ACEIT 7.x and 8.0 that includes the new Army Cost Element Structures (CESs), as seen in the 2020 Army Cost Analysis Manual. This update includes the following new CESs, which replace the previously available versions:

- Army CES Aircraft
- Army CES Electronic/Generic
- Army CES Ground Vehicle
- Army CES Missile/Ordnance
- Army CES Space
- Army CES Strategic Missile
- Army CES IS/DBS (replaces AIS)

To install this new WBS.zip file, please sign in to ACEIT.com and visit User Resources > Downloads > ACEIT Content > ACE System WBS Update for Army CES (April 2020). All other previously offered ACE System WBSs (from the MIL-STD 881D and various organizations) are still included in this file. Please note that the ACEIT 8.0 Service Pack 1, available for download now, has latest WBS.zip file already included!

New System and Custom Inflation Tables for 2020 Available!

Inflation index information for 2020 has arrived from many of the major services and the 2020 System and Custom Inflation tables are now available on ACEIT.com. Anyone with an active ACEIT DMS can login and visit download>inflation-indices for directions on how to include these updated indices in your ACE models.

Information from the following services has been updated for 2020:

- Army
- Air Force
- Navy
- US Marine Corps
- NASA
- NRO
- US Coast Guard

Please note that the 2020 System Table is included automatically if you install the ACEIT 8.0 Service Pack 1!

ACEIT Mechanics Training

We're all taking extreme measures to make sure that we can keep working in these unique times. We know that you may have employees or may be an employee that needs ACEIT training to be able to perform their jobs. Tecolote offers a training option called 'Mechanics Training', which allows you to purchase a block of dedicated support hours that can be **used remotely** to assist in real world applications of ACEIT.

To learn more about ACEIT Mechanics training, visit our Training Center on ACEIT.com or contact the ACEIT Training Coordinator at (805) 964-6963 x2571.
